## **What is a School Leadership Team?**

- There must be an SLT in every New York City Public School. SLTs play a significant role in creating a structure for school-based decision making and shaping the path to a collaborative school culture. SLTs are a vehicle for developing school-based educational policies and ensuring that resources are aligned to implement those policies. Functioning in a collaborative manner, SLTs assist in the evaluation and assessment of a school's educational programs and their effect on student achievement.

## **Who are the SLT members?**

There are three members of the school community who must be members of the SLT:

- Principal
- Parent Association/Parent-Teacher Association President
- United Federation of Teachers Chapter Leader
- The other members are elected parents and staff members. The SLT must have an equal number of parents and staff.
- The exact composition of a school's SLT is stated in the team's bylaws

## **What is the role of an SLT?**

- An SLT is responsible for developing a school's Comprehensive Educational Plan (CEP). See the [DOE's iPlan portal](#) to find your CEP.
- Provide ongoing evaluations of a school's educational programs and their impact on student achievement
- Play an important role in school-based decision-making
- Help to make school cultures more collaborative

## **What laws and regulations govern SLTs?**

- New York State Education Law Section 2590-h requires every New York City Public School to have a School Leadership Team. In addition, Chancellor's Regulation A-655 (CR A-655) establishes guidelines to ensure the formation of effective SLTs in every New York City public school.

## **Are meetings open to the public?**

- SLT meetings are open to the public for silent observation.
