P.S.220 The Edward Mandel School

Computer Science Education Week
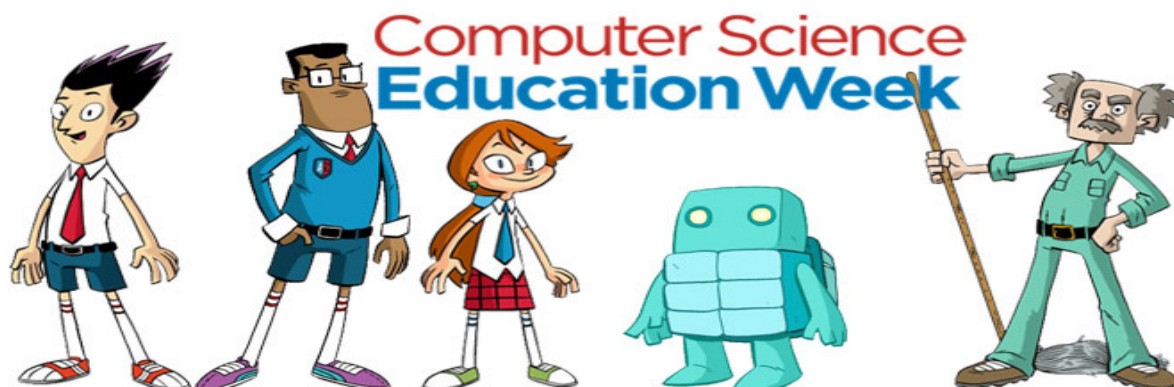

Computing Connects Us! Celebrate with Us!

During **Computer Science Education Week**, students in **Pre-K through Grade 5** will explore how creativity, problem-solving, and technology connect us all.
Each grade will enjoy a special day of **plugged (on-computer)** and **unplugged (hands-on)** coding activities — and families are invited to join the fun

CS Ed Week Schedule

Day	Grade	Theme/Activity Highlights	Time
Mon 12/8	Pre-K	Algorithm Adventure & Scratch Jr Dance Party	9:50am
Mon 12/8	Kindergarten	Algorithm Adventure & Scratch Jr Dance Party	9:05am
Tue 12/9	Grades 1	Pattern Bots & Code.org Maze Challenge	8:45am
	Grade 2	Pattern Bots & Code.org Maze Challenge	9:50am
Wed12/10	Grades 3	Binary Bracelets / Pixel Art & Hour of Code: Minecraft or AI for Oceans	8:45am
Thu 12/12	Grades 4	Binary Bracelets / Pixel Art & Hour of Code: Minecraft or AI for Oceans	9:10am
Thu-12/11	Grade 5	Debug the Teacher & Scratch Animated Game Project	9:05am

We want families to visit their child's class on the day of their grade's activity to observe or participate!
