

Meet the TEACHER

about me

Hi! My name is Mr. Galanty. This is my 12th year teaching! I've spent my whole teaching career at P.S 220. Right now you can find me in 4th grade. I also have taught 1st, 2nd and 3rd grade. I am a local kid who grew up a few blocks from the school and was super excited to be able to work with kids from the community that raised me.

my favorites

Besides teaching, my favorite thing in the world is to spend time with my amazing wife and daughter! We love to go the Queens Zoo, Hall of Science and local parks.
