Virtual Parent-Teacher-Student Conferences:
Tuesday November 3rd, 2026

Dear P.S.220 Families,

We are pleased to invite you to the Parent-Teacher-Student Conferences taking place on Tuesday, November 3rd, 2026. The conferences are a wonderful opportunity for you to meet with your child's teachers and learn about the progress they are making. During this important meeting, you will discuss strategies with your child and their teachers to help students meet the expectations of the Next Generation Learning Standards for their grade level. Please note that student report cards will be posted on the morning of November 3rd through your child's NYCSA. <https://www.schoolsaccount.nyc/> At this time, access has been provided to all families. If you still need assistance, you can contact your child's teacher or the Parent Coordinator, Ms. Zoraya Torres.

Afternoon and evening Parent-Teacher Conferences will be held on **Tuesday, November 3, 2026**, during the following times: **12:30 PM - 2:30 PM** and **4:30 PM - 7:30 PM**

On **Tuesday, November 3, 2026**, all students will participate in **virtual instruction through Google Classroom from 8:20 AM to 11:40 AM**.

As a reminder, **Thursday, November 5, 2026, will be a full-day of in-person instruction for all PS220 students.**

To provide each family with the opportunity to speak with their child's teacher, you must register for an appointment through Sign-up Genius. This information has been shared by teachers. If you have not signed up for a meeting at this time, please contact your child's teacher. Due to time constraints, each conference is scheduled to last approximately 10 minutes. If you think you will need more time, please be sure to notify your child's teacher in advance so we can schedule an extended conference for you and your child during Family Engagement Time.

Translators are available to assist during conferences. If you need a translator, please include this information in Sign-up Genius or contact your child's teacher. Remember, you will need to access the meeting link through Google Classroom. It is important to log in a few minutes before your meeting to ensure you have access and not miss the scheduled time.

We look forward to seeing you at Parent-Teacher-Student Conferences on **Tuesday, November 3rd 2026.**

Educationally yours,
Josette Pizarro
