P.S. 220 Field Day will take place this year on May 29th, 2025. (Rain Date TBD). We have a new location this year since our school yard is being renovated. We will be at the World's Fair Playground.

Volunteers are needed to help set-up, break-down, and to monitor the events. If you are able to assist in this important event, please fill out the [signupgenius below](#).

If you are unable to volunteer your time for this event, we also need supplies. Water, coolers, ice, (for the students). Please send in your contributions to the school the week of Field Day or bring them on **May 29th to Field Day**.

It is our hope that the entire school community will be able to participate in some way and make this event memorable for our children.
